

Happy Friday and Happy May!!!

Reminders:

- Please check our website and review our process for student pickups that will begin this Monday, May 4th.
 - NO GIFTS are able to be received during the pickup. It is teacher appreciation next week, and I know that many of you will have the desire to give things to show gratitude, but during the drive-thru pickup, we cannot accept items. All faculty will not be on campus either.
 - No one should get out of their vehicles unless it is necessary due to dropping off school materials at the designated location or picking up bags due to not having access to a trunk. Please remember to release your trunk as soon as you are at your spot.
 - Large projects/items that do not fit into bags will not be given at the drive-thru. If the items are necessary for the summer, please email me and we'll arrange a time for pickup. Otherwise, we will hold onto the items and send home with students when we return after summer break.
 - PLEASE FOLLOW THE STEPS FOR THIS PROCESS TO BE EFFICIENT AND SAFE FOR ALL.
 - If you are not able to come to the designated times of pickup due to medical surgeries, out-of-town, or another valid reason, please email me.

- I am hoping to receive the final logistics of kindergarten registration today during our weekly zoom with Dr. Gilbert. I will share those details as soon as I receive them. We do know that it will be online.

- If you have not registered returning students, please finalize that process.

Have a great weekend!

Kristina Maddux
