

Important: Beginning next Monday, April 27th, Library book bins will be placed near the entrance of the school for families to drop-off library books. We will have the bins outside from 8-12 Monday-Friday of next week. We have over 600 books checked out to our students. Our kids love books and in order for us to maintain the amount and level of options available for students, we need our books returned. We are very grateful for your assistance.
