

Good Morning!

Library bins will be placed closer to the door today with the rain and storms in the forecast. This week, the lost and found items will also be placed outside near the bins. Office hours are 8-12, so if dropping off instruments, please come within those hours, so that someone is available to take the instrument for you. I am at the campus longer, but not always in the office, so I want to be sure someone is present to prevent our instruments being left outdoors.

Hope that you have a great day today! Stay safe!

Kristina Maddux
