

Good morning families!! I hope that each of you and your families are doing well and staying safe.

Our grade level activities for this week are posted online if you are interested in the options that teachers are planning and providing for students. We also have a crate outside of the school with paper copies of the grade level plans for those of you without the technology to view/access.

Below is the schedule of lessons developed through the PBS-Tennessee Department of Education partnership. These will begin today, Monday, April 6 on PBS.
