

Happy Friday!!!!

A very special thank you to the families that came this past week, followed procedures, and did their part to make this week a success!! We have less than 8 student bags remaining out of 396 students. That is REMARKABLE!!! Thank you for working with us and giving us the outcome that we obtained.

I also want to thank my faculty and staff that volunteered and worked with me this week! Together we made what could have been a stressful situation smooth, efficient, and fun. I am very grateful for everyone, families, faculty, and staff.

I wish all of the mom's a Happy Mother's Day! I hope that you are showered with love and gratitude for all that you do!
