T-shirts are typically provided to all students and staff for field trips and other school-wide events; however, due to the postponement of field trips and school-wide events, funding will be reserved and used for school needs. This year, the PTO and Explorer Fund are uniting to raise funds for a track for our students and community.

**All personal contributions are greatly appreciated and kept private unless you give at one of the four corporate levels and inform us that you would like to be included in publicity.**
