PLACE ORDER

Parents primarily will use the **Online Pre-Ordering** function to order meals for their student(s). This Quick Step provides a basic overview of how to order meals via SchoolCafé.

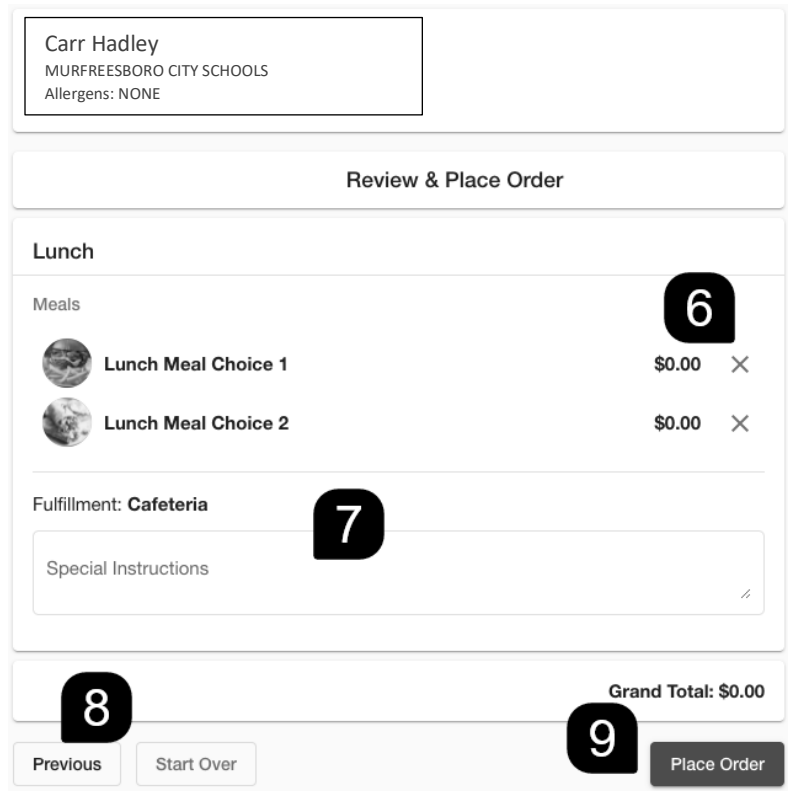

Process / Descriptions	Images
<p>1. After logging into SchoolCafé, select the Place Order option from the left navigation pane</p>	
<p>2. Select a Date, Student, Meal Type, and Location</p> <p>3. Once the correct information is entered, click the Next button to proceed</p>	

4. Click the **Add** button to select a Menu Item from the options provided by the district
5. Once all selections are made, click the **Next** button to proceed

Review the order information, and make any final adjustments as desired.

6. Click the **X** icon to remove a Menu Item from the order
7. Enter **Special Instructions** as needed
8. Click the **Previous** button to return to the previous page and select other Menu Items
9. Once all the information is verified, click the **Place Order** button to finalize the order

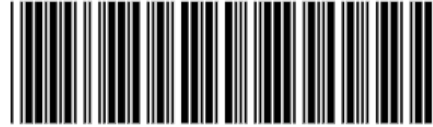

The system will provide an order confirmation receipt with a summary of the information provided during the ordering process, and the district will place the order with the kitchen.
